

MARK PAUL FAUSTO

Passionate web designer, skilled in Adobe Photoshop, HTML, CSS, Mobile Application and Dynamic Programming. Creates seamless UX and UI with creative but functional designs and hard-working web developer with a flair for creating elegant solutions in the least amount of time. I believe that my enthusiasm and willingness to learn make me a strong candidate.

WORK EXPERIENCE

- 2017-2018 Web Designer/IT support (DepEd-Bayawan)**
 - Designing engaging and responsive landing pages
 - Graphic Design
 - Conducting website testing
 - Technical support
 - Information Technology
- 2018-2021 Post Splitter/Reviewer ([Remotasks.com](#))**

It is a platform that builds real AI with the help of real people. Remotasks offers a variety of tasks like 2D and 3D Image Annotation and Categorization, all of which can help companies develop tech like new gadgets and self-driving cars.
- 2021-2022 Labeler/Checker ([Xfnite.ph](#))**

We are labeling all the roofs of the house in aerial view. It's like google map building annotation but using ginger software.
- 2022 -**

I am still exploring and learning other programming language like python, graphic designing(ai/psd), video editing and making personal website while working as freelancer. Hoping for new carrier this year because my past years is all about freelancing so I want to pursue IT related job.
